

2023-2024

Thank you for your interest in The Preschool Academy. Enclosed you will find an application along with our school information. We have a variety of programs available to fit the need of your family.

To secure your child a spot for the 2023/2024 school year you will need to fill out and turn in the registration page along with a \$125 application fee. Registration page and payment can be mailed to The Preschool Academy 308 W Juniper Lane Gillette, WY 82718 or dropped off in person. Please keep additional pages for your reference. We do accept on a first come, first serve basis and according to class availability, so submitting your registration quickly is important to ensuring the class day and time you desire. Application fee is non-refundable and does not count toward tuition. Your registration fee will not be deposited if your child is not accepted to The Preschool Academy. If you have further questions, please call or stop by to speak with one of our teachers. If you received this application and are not in need of preschool for the 2023/2024 school year, please feel free to pass it along to someone who is.

In the past we have taken the students to the Children's Center for developmental screenings once school has begun. However, in partnership with the Children's Center we are asking that you, as a parent, take your child to the Children's Center prior to the start of the school year. This will give us a starting framework as to where each student is as they enter our program and enables us to best fit their need from day one. More information will be shared in your acceptance letter you receive.

The Preschool Academy Staff

Please feel free to contact me if you have any questions or concerns.

Mission Statement

The Preschool Academy is a Christian-based preschool. The purpose of the preschool is to provide an environment for your child to grow and develop into what God intended for them to be. We want them to be happy and excited about learning and reaching their full potential; ultimately leading your child to successfully enter kindergarten.

The Preschool Academy strives to be a warm, safe, and accepting school to each child that enters our facility. We, as a preschool, are constantly adapting our curriculum to meet the latest requirements and re-evaluate to meet the individual needs of each child.

Programs Offered

Preschool Classes

The classroom provides a nurturing environment which fosters creativity, new experiences, and developmentally appropriate practices. Learning opportunities are made available through play, literature, and a personal relationship with each child. Children attending the 3 & 4-year-old class must be 3 by September 1st, 2023 and be fully and independently potty trained.

Lunch bunch

A great way to make the fun last longer! Lunch bunch is your child's own social hour and an easy solution if you need a little extra time in the day. Lunch bunch is an optional program scheduled for children to stay an extra hour each day or come an hour early the day they attend school. Each child will bring his or her own lunch and participate in additional learning activities. Reservations will be taken on a monthly basis. Drop in for lunch bunch is not guaranteed as we plan for sufficient staff. The fee for lunch bunch is \$4 a day. Drop in rate is \$7 if there is space available.

Club MED – my extended day

Club MED is our extended day program and is offered to all students at The Preschool Academy. Students will have the opportunity to extend their learning before or after their preschool class starts through various enrichment programs and activities. Club MED participants will be required to sign up the month prior to participate in Club MED. A drop-in fee of \$5 per day will be charged in addition to the Club MED fee if there is space for your child.

Club MED AM: 7:30am – 9:15am \$8 Drop In \$13

Club MED PM: 11:45am – 5:30pm \$20 Drop in \$25

Club MED PM: 3:15pm – 5:30pm \$10 Drop in \$15

The registration form and \$125 registration fee must be turned into the school to secure your child a place in the class. The remaining items will be required prior to your child starting the fall session. You will be notified of your child's acceptance in writing by the 20th of March.
